Online registrations can be found by going to [www.lakewoodca.gov/ecatalog](http://www.lakewoodca.gov/ecatalog). Select the "Activities" tab, then follow the link for "Sports League". Roster forms will be sent to teams who register online. Completed rosters, including players' signatures, must be turned in at the first game. Players will be asked to present proof of residency for all Category A (Lakewood Resident) online registered teams prior to the start of their first game. See "Qualification Information" on page 1.

## **ROSTERS:**

**Each player must sign the Official Roster and Waiver form as a waiver for eligibility to play in the program. Forged signatures will lead to your team's dismissal from the league.** Rosters must include complete name, address and phone number of all players. **INCOMPLETE ROSTERS WILL NOT BE ACCEPTED.**

All rosters are limited to a maximum of 16 players and minimum of 10 players. Ko-Rec rosters must include six women, each designated by a check in the box to the left of the player's name.

Players must be at least 16 years of age. All minors must have a waiver signed by the parent or legal guardian. Waiver forms are available on our website or in the Recreation Department at City Hall. There is a maximum of three minors allowed on any team.

## **ROSTER CHANGES:**

**Managers are advised to submit full rosters at the time of registration. Teams registering online must submit their full roster before their first scheduled game.** The team will be limited to changes as follows:

- 1) Each team will be allowed **five** players to be added during the season.
- 2) If a team needs to add more players, a \$10.00 administrative fee will be charged for each additional player. Changes **must** be made on official forms, which will be provided.

**NOTE:** If a player's signature does **not** appear on the roster, that player is **not** a rostered player. To add the player to the roster will require the roster change form, with the proper signature, and will count as an addition as it applies to the limits described above. **Managers may submit roster addition forms to the umpire/scorekeeper prior to a game for a player to be eligible for participation.**

*Due to the above rules, it is strongly recommended that much care be taken in submitting the original roster.*
