## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Amendment No. 2 to Funding Agreement with Metro – Lakewood Blvd Regional Corridor Capacity Enhancement Project

### **INTRODUCTION**

The Los Angeles County Metropolitan Transportation Authority (LACMTA) has submitted Amendment 2 to extend the lapsing date of the Funding Agreement to June 30, 2025. The Agreement provides a grant of Measure R Funds for improvements to Lakewood Boulevard within the City of Lakewood.

### **STATEMENT OF FACT**

The LACMTA Board, at its May 28, 2015, meeting, programmed \$3,600,000 in Measure R Funds for the City to use for Design, Plans, Specifications and Estimates and Project Development for improvements to Lakewood Boulevard from Del Amo Boulevard to the northern city limits north of Ashworth Street. These funds came from LACMTA share of Measure R and are not the local return that is allocated to the City of Lakewood. The City Council approved the Agreement on August 9, 2016.

LACMTA Board action of June 25, 2020, increased Measure R programmed funds under this Agreement from \$3,600,000 to \$3,900,000. The increase of \$300,000 was for design and construction of dual left-turn lanes on northbound Lakewood Boulevard at Hardwick Street. This work was completed and accepted by the City Council on March 22, 2022.

### **RECOMMENDATION**

That the City Council approve Amendment No. 2 to the Funding Agreement with Los Angeles County Metropolitan Transportation Authority dated April 22, 2016, that extends the lapsing date of the project funds to June 30, 2025, and authorize the Mayor to sign the agreement subject to approval of form by the City Attorney.

**AMENDMENT No. 2 TO MEASURE R FUNDING AGREEMENT  
BETWEEN CITY OF LAKEWOOD AND THE LOS ANGELES COUNTY  
METROPOLITAN TRANSPORTATION AUTHORITY**

This Amendment No. 2 to the Funding Agreement (this "Amendment"), is dated as of June 15, 2023 by and between the City of Lakewood ("Grantee") and the Los Angeles County Metropolitan Transportation Authority ("LACMTA").

**RECITALS:**

A. Grantee and LACMTA entered into that certain Funding Agreement No. 9200000000MR31536, dated April 22, 2016, which was amended on June 28, 2020 (as amended, the "Existing FA"), which Existing FA provides for the Lakewood Boulevard Regional Corridor Capacity Enhancement Project (the "Project"); and

B. WHEREAS, the LACMTA Board on January 26, 2023, delegated administrative authority to staff to extend funding lapsing dates to meet PAED, PS&E, ROW, and Construction time frames; and

C. WHEREAS, the Grantee and LACMTA desire to extend the lapsing date of the Project funds programmed for Fiscal Year (FY) 2016-17 and FY 2020-21 to June 30, 2025; and

D. Grantee and LACMTA desire to amend the Existing FA as provided herein.

**AGREEMENT:**

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereby agree as follows:

1. Part II, Section 9.1 (iv) of the Existing FA is hereby amended by deleting it in its entirety and replacing it with the following: "(iv) Expending the Funds granted under this FA for allowable costs by the lapsing date. All Funds programmed for FY 2015-16 are no longer available. All Funds programmed for FY 2016-17 and FY 2020-21 are subject to lapse by June 30, 2025."

2. Attachment B1-1 of the Existing FA is hereby replaced by Attachment B1-2, attached.

3. Attachment C-1 – Scope of Work, attached to the Existing FA is hereby amended by deleting the Milestones and Construction Milestones and replacing it with the following Revised Project Schedule.

Intersection	FA Milestones	Revised FA Schedule in Amendment 1		Revised Project Schedule

## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Community Safety Commission Recommendation – Removal of Disabled Person Parking

### **INTRODUCTION**

The Community Safety Commission met on October 2 to consider various community safety matters that included the consideration of a request to remove the disabled person parking space at 4329 Conquista Avenue.

### **STATEMENT OF FACT**

The Public Works Department received a request to remove disabled person parking spaces at 4329 Conquista Avenue. The original resident for whom the space was installed no longer lives at the location. Staff observed the location, confirmed that the original requestor no longer lives there, and recommended removal of the space.

The Community Safety Commission, at their regular meeting on October 2, approved recommending removal.

### **RECOMMENDATION**

The Community Safety Commission recommends that the City Council adopt the attached resolution authorizing removal of the disabled person designated parking space at 4329 Conquista Avenue.

## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Notice of Completion – Carpet Replacement Improvements to the Existing Centre  
PW Project 23-06

### **INTRODUCTION**

The general scope of work for this project was removal and disposal of existing glue-down commercial-grade carpet and resilient wall base on the stairway landing and second floor of the Centre, and installation of new, owner-provided custom, Milliken Hospitality Division carpeting as listed in the project plans and specifications, in accordance with a strict installation schedule.

### **STATEMENT OF FACT**

On December 14, 2021, City Council adopted a resolution and an ordinance that adopted CUPCCAA bidding procedures in order to streamline the procurement process and leverage the functions of the Public Works department to complete smaller projects. The Act allows for a sped up award process; expedited project delivery; reduced time, effort and expense associated with bidding projects under \$200,000; and simplified administration for those projects. In addition, City Council authorized that the dollar threshold of the City Manager's contracting authority on public projects be increased to \$60,000, or as modified by the Act in the future. On August 9, 2023, the City Council authorized temporarily increasing the City Manager's contracting authority from August 8<sup>th</sup> to September 12<sup>th</sup> on public projects up to \$200,000, specifically to award the Centre carpet installation at the Centre.

The City received two informal bids for the carpet replacement, and the low bidder was Lawrence W. Rosine Co. The City Manager awarded the contract on August 30<sup>th</sup>, 2023 to the low bidder Lawrence W. Rosine Co in the contract amount of \$32,700. The work was substantially completed on September 22<sup>nd</sup> and minor punch list items were completed on September 28<sup>th</sup>. No change orders were issued resulting in a final contract amount of \$32,700.

### **RECOMMENDATION**

That the City Council accept the work by Lawrence W. Rosine Co. for "Carpet Replacement to the Existing Centre - PW Project 23-06" in the amount of \$32,700 and authorize the City Clerk to file the Notice of Completion for the project.

## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Special Event Permit for Public Display of Fireworks - Lakewood High School

### **INTRODUCTION**

The Lakewood Municipal Code Section 3106 requires all public display of fireworks to be approved by the City Council.

### **STATEMENT OF FACT**

Lakewood High School is requesting to have a fireworks display on October 20, 2023 in celebration of their annual Homecoming events and football game. The fireworks display is scheduled for approximately 8:00 pm.

The show is being presented by Fireworks & Stage FX America who has obtained all required documentation and approvals from the Los Angeles County Fire Department. Lakewood High School will be sending notifications to neighboring homes one week prior to the event. All insurance and hold harmless requirements have been provided to the City.

Historically, requests for firework displays have been solely handled by City staff through the special event permit process. We recently learned of the Municipal Code's requirement for City Council approval (in addition to the Fire Department) of any public display of fireworks. As a result, staff will be bringing all firework permit requests to the Public Safety Committee going forward. If recommended for approval by the Committee, the permit will then be presented to the City Council.

### **STAFF RECOMMENDATION**

It is recommended that the City Council grant a special event permit authorizing Lakewood High School to hold a public display of fireworks in accordance with Lakewood Municipal Code Section 3106.

ORDINANCE NO. 2023-7

AN ORDINANCE OF THE CITY OF LAKEWOOD AMENDING  
SECTION 4328 OF THE LAKEWOOD MUNICIPAL CODE  
REGARDING BIRD FEEDERS.

THE CITY COUNCIL OF THE CITY OF LAKEWOOD DOES ORDAIN AS  
FOLLOWS:

SECTION 1. The following new language is hereby added at the end of Section 4328 of the Lakewood Municipal Code, which language is declarative of the City's interpretation and policy that has been in place since the inception of such section:

"This section shall not be construed to prohibit bird feeders, including but not limited to hummingbird feeders, except where the use of such feeders constitutes a nuisance."

SECTION 2. SEVERABILITY. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance, is for any reason held to be invalid or unconstitutional by the decision of any court of competent authority, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have adopted this Ordinance and each section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, or portions thereof be declared invalid or unconstitutional.

SECTION 3. CONTINUITY. To the extent the provisions of the Lakewood Municipal Code as amended by this Ordinance are substantially the same as the provisions of that Code as they read immediately prior to the adoption of this Ordinance, then those provisions shall be construed as continuations of the earlier provisions and not as new enactments.

SECTION 4. CERTIFICATION. The City Clerk shall certify the adoption of this Ordinance and shall post a certified copy of this Ordinance, including the vote for and against same, in the Office of the City Clerk, in accordance with Government Code Section 36933. The City Council hereby finds and determines there are no newspapers of general circulation both published and circulated within the City and, in compliance with Section 36933 of the Government Code, directs the City Clerk to cause the ordinance within 15 days after its passage to be posted in at least three (3) public places within the City as established by Ordinance.

SECTION 5. EFFECTIVE DATE. This Ordinance shall be posted or published as required by law and shall take effect thirty (30) days after its adoption.

## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Update on Legal Action Regarding Zero Bail Policy (Pre-Arrest Release Protocols)

### **INTRODUCTION**

The City of Lakewood has signed on to an injunction to halt the new zero bail schedule (attached), which took effect on October 1, 2023, for all criminal courts in Los Angeles County. Under the new schedule, suspects arrested for non-violent felonies and misdemeanors will be immediately released without bail. The list of non-violent crimes is extensive and includes theft, vandalism, drug sales, forgery, false imprisonment, burglaries, and shoplifting.

A verbal update will be given at the meeting as to the status of the legal action.

### **STATEMENT OF FACT**

With the new schedules, protocols surrounding the release of suspects are limited to three options: cite and release; book and release; and magistrate review. For a citation or jail booking, immediate release without bail is granted in conjunction with a date to appear in court that could be many months away. The third option, magistrate review, involves a judge determining release terms and conditions for suspects involved in more dangerous cases, like crimes against children, intent to commit sexual offense, cases involving guns, and sexual battery. It is not clear how the magistrate review process will be implemented or what measures will be taken to ensure the safety of the public, while those accused of serious crimes await their trial dates.

The City is concerned of the potential risk of increased crime and serious harm that this sweeping change may educe. Lakewood is part of a growing coalition supporting the City of Whittier's request to postpone implementation of the new schedules. Cities behind the temporary restraining order (which total 12 as of this writing) hope the courts will be required to develop a clear method for ensuring the safety and wellbeing of the public.

### **RECOMMENDATION**

It is recommended that the City Council receive and file this report.

# **I. LOS ANGELES COUNTY MISDEMEANOR PRE-ARRAIGNMENT RELEASE PROTOCOL FOR LAW ENFORCEMENT**

## **A. Introduction**

The purpose of bail is to ensure an arrestee appears for all court appearances and reduce the risk to public or victim safety.<sup>1</sup> Article I, section 12 of the California Constitution entitles most arrestees (who are presumed innocent until proven guilty beyond a reasonable doubt) to release on bail while awaiting trial. In addition, the Constitution prohibits excessive bail and requires that judicial officers take into account the protection of the public, safety of the victim, seriousness of the offense charged, previous criminal record of the defendant, and the probability of the arrestee appearing at court appearances.<sup>2</sup> Consistent with the United States Supreme Court's decision in *Salerno*, the Superior Court of Los Angeles County (Court) seeks with this protocol to ensure that "in our society liberty is the norm, and detention prior to trial is the carefully limited exception."<sup>3</sup>

### **Applicability of Pre-Arraignment Release Protocol for Low-Level, Non-Violent Felonies and Misdemeanors**

For many less serious and low-risk level misdemeanor and felony offenses, the Pre-Arraignment Release Protocol (PARP) represents a shift from the practice of setting money bail, also known as a "financial condition" of release. Prior to the implementation of the PARP, arrestees who could afford to post money bail pursuant to operative bail schedules were released pre-arraignment, while those who could not afford to do so were detained, even if they posed little risk to the public or were likely to return to court. The California Supreme Court has held that conditioning release from custody solely on whether an arrestee can afford bail is unconstitutional. (*In re Humphrey* (2021) 11 Cal.5th 135, 143 (*Humphrey*)). Further, research<sup>4</sup> demonstrates that non-financial conditions of release that address both public and victim safety and the arrestee's individual circumstances are often sufficient and may be preferable to financial conditions for numerous reasons. In *Humphrey*, the Supreme Court instructed trial courts to impose the least restrictive conditions of release for defendants and to consider whether non-financial conditions of release may reasonably protect the public and the victim or reasonably assure the defendant's presence at trial.

Effective October 1, 2023, this Pre-Arraignment Release Protocol shall govern whether eligible arrestees in Los Angeles County are released from custody without conditions, released with non-financial conditions, or held in custody pending arraignment. Using the PARP, the Court sets release conditions based on an arrestee's risk to public or victim safety and the arrestee's likelihood of returning to court and reduces reliance on money bail as a condition of release prior to arraignment for individuals arrested for certain misdemeanor and non-violent, low-level felonies.

<sup>1</sup> Cal. Const., art. I, § 28, subd. (f)(3).

<sup>2</sup> *Id.*

<sup>3</sup> *United States v. Salerno* (1984) 481 U.S. 739, 755 (*Salerno*).

Through the PARP, the Court assesses and releases from custody (with release conditions where appropriate) those arrestees who pose a minimal risk of flight or danger to public or victim safety. For arrestees charged with certain non-violent felony and misdemeanor offenses, the offenses will fall within one of three categories – CR (Cite and Release); BR (Book and Release); and MR (Magistrate Review). The categories are described in more detail below and each eligible offense is assigned a category.

### Zero-Dollar Bail Is Not Available for Serious or Violent Offenses Pre-Arraignment

Zero-dollar bail is not available for serious or violent crimes.

The following arrestees are ineligible for pre-arraignment release on zero-dollar bail:

1. Individuals arrested for capital crimes when the facts are evident or the presumption great and all offenses listed in subsections (b) and (c) of Article I, section 12 of the California Constitution are ineligible for release on their own recognizance or sufficient sureties.<sup>5</sup>
2. Individuals arrested for any offense listed in Penal Code section 1270.1. Individuals arrested for offenses listed in Penal Code section 1270.1 are ineligible for release on their own recognizance or release on bail in an amount that is either more or less than the amount contained in the schedule of bail for the offense until a hearing is held in open court before the magistrate or judge. For these offenses the arrestees must post financial conditions of release as required by that statute or be held until arraignment within the time outlined in Penal Code section 825, or the time by which they may have a hearing in open court as required. Existing law requires a non-zero-dollar amount of bail to be set for these offenses. Financial conditions of release for those crimes or enhancements are listed within the protocol.
3. Individuals arrested for any offense where there is a sentencing enhancement, as defined in subdivision (e) of Penal Code section 1269b. For offenses with these enhancements, arrestees must post financial conditions of release (non-zero-dollar amount of bail) as required by that statute and listed within the protocol.

### Definitions of CR, BR, and MR

For those offenses designated as either CR or BR, eligible arrestees will be released on their own recognizance with a promise to appear at arraignment either at the time of arrest (CR) or after being booked at a police station or other facility (BR). Nothing in this protocol should be construed to alter the authority of law enforcement to cite-and-release or book-and-release as authorized by state law. These arrestees are not required to post cash bail, and the offenses for which they are booked are designated in the schedule as zero-dollar bail (\$0) bail offenses. However, arrestees booked for an offense designated as CR or BR who are currently on Parole or Post Release Community Supervision (PRCS) are not eligible to be released prior to magistrate review and will be referred directly to a magistrate for review prior to release. The Court has magistrates available 7 days a week, 24 hours a day.

For those crimes designated as MR, arrestees will be referred to a magistrate for review. As set forth further below, magistrates will consider the available information to determine whether to

---

<sup>5</sup> Cal. Const., art. I, § 12.

release an arrestee on their own recognizance with no conditions, release them on their own recognizance with the least restrictive non-financial conditions, or defer consideration of release until arraignment under limited circumstances. All offenses in the MR category are designated as \$0 bail offenses.

Pre-arraignment bail amounts and designations in the PARP are not binding on judicial officers at arraignment, which typically occurs within 48 hours of arrest unless there is a holiday or a weekend when the court is otherwise closed. At arraignment, where both the prosecution and the defendant are represented by counsel, judicial officers have the full range of options available with respect to the defendant's bail and custody status. The arraignment court can consider, among other facts and issues raised, the prosecutor's charging document, the defendant's criminal history, the facts of the case, and any information the prosecutor and the defense attorney may offer.

### Arrest Warrants – Bail Amounts

At and after the defendant's first appearance, the judicial officer before whom the defendant appears will determine release conditions, if any. (See section II (A) and (C).) A magistrate fixing financial conditions of release pursuant to Penal Code section 815a which requires that a magistrate fix the amount of bail which in their judgment is in accordance with the provisions of section 1275 will be reasonable and sufficient for the appearance of the defendant following his arrest, if the offense is bailable, may use this schedule at the time an arrest warrant is issued. The amount of bail is within the sound discretion of the magistrate. (See section II (B).)

## **B. How to Use the Pre-Arraignment Release Protocol**

The purpose of this protocol is to designate pre-arraignment release orders upon which a person arrested without a warrant may be assessed for release before their appearance in court. Arrestees booked on crimes listed in Penal Code section 1270.1 are not eligible for non-financial conditions of release pre-arraignment.

Prior to arraignment, the release protocol for each crime will be designated in the column titled "**Pre-Arraignment Release Protocol.**" Within that designated column, the following abbreviations will refer to the appropriate pre-arraignment protocol for arrestees booked for the referenced crime.

### **1. CITE AND RELEASE (CR)**

People arrested for crimes designated as **CR** are subject to \$0 bail and are not required to provide financial conditions of release unless a designated exception applies as stated in Item 5. Arrestees must promise to appear in court for arraignment notwithstanding Penal Code section 977.

### **2. BOOK AND RELEASE (BR)**

People arrested for crimes designated as **BR** are subject to \$0 bail and are not required to provide financial conditions of release unless a designated exception applies as stated in Item 5. Arrestees must promise to appear in court for arraignment as required by Penal Code section 1318.

### **3. MAGISTRATE REVIEW (MR)**

People arrested for crimes designated as **MR** are subject to \$0 bail and are not required to provide financial conditions of release unless a designated exception applies as stated

in Item 5. Arrestees must promise to appear in court for arraignment as required by Penal Code section 1318, they must be booked by a law enforcement agency, and their release conditions, if any, will be determined by a magistrate. Applying the factors set forth in Penal Code section 1275, and Article I, sections 12 and 28, the magistrate will consider known facts about the offense and the arrestee as well as a risk assessment report in deciding to (1) release the arrestee on their own recognizance; (2) release the arrestee upon \$0 money bail and non-financial conditions of release that are the least restrictive conditions reasonably related to the crime that are necessary to assure their appearance at court and the safety of the public and victim; or (3) defer until arraignment consideration of the arrestee's release, if the magistrate finds by clear and convincing evidence based on the available information that "public or victim safety, or the arrestee's appearance in court, cannot be reasonably assured" if they are released with nonfinancial conditions. (*In re Humphrey* (2021) 11 Cal.5th 135, 154.)

Once the least restrictive condition or combination of conditions is determined by the magistrate, the County's Pretrial Services Unit will communicate the release conditions, if any, to the booking law enforcement agency (LEA). The LEA will communicate the condition(s) to the arrestee. If the arrestee accepts the conditions, the arrestee will be released. If not, further consideration of the arrestee's release will be deferred until arraignment.

#### **4. FINANCIAL CONDITIONS OF RELEASE**

Pursuant to Penal Code section 1270.1, persons arrested for designated misdemeanors must post financial conditions of release as required by that statute or be held until arraignment within the time outlined in Penal Code section 825, or the time by which they may have a hearing in open court as required. Financial conditions of release for those crimes or enhancements are listed as dollar amounts within the protocol.

#### **5. EXCEPTIONS**

##### **A. ARRESTEE ON PAROLE OR POST RELEASE COMMUNITY SUPERVISION (PRCS):**

If an arrestee booked for an offense listed as CR or BR in the protocol is currently on parole or PRCS, the arrestee shall be referred to a magistrate for review.

##### **B. ARRESTEE ACCUSED OF MULTIPLE OFFENSES:**

- i. If an arrestee is booked on two or more offenses with differing protocol designations (\$0 bail and CR, BR, or MR), pre-arraignment release protocol shall be determined by the strictest release protocol designated.
- ii. If an arrestee is booked on two or more offenses, one which designates a non-financial condition of release and the other which designates a financial condition of release, pre-arraignment release shall be determined by the financial condition of release designated for each crime. No additional financial conditions may be added for crimes designated as \$0 bail and CR, BR, or MR. Because the arrestee is subject to financial conditions of release, the arrestee will not be referred to a magistrate for review.
- iii. If two or more misdemeanor offenses require financial conditions of release, the amount shall be set for the offense having the highest amount, except where the

offenses are committed against separate victims or on separate dates, in which case the financial conditions may be aggregated. Because the arrestee is subject to financial conditions of release, the arrestee will not be referred to a magistrate for review.

## **6. REPRODUCTIVE RIGHTS**

In accordance with Penal Code section 1269b(f)(2), bail shall be set at zero dollars (\$0) and the offense designated as CR for an individual who has been arrested in connection with a proceeding in another state regarding an individual performing, supporting, or aiding in the performance of an abortion in this state, or an individual obtaining an abortion in this state, if the abortion is lawful under the laws of this state.

## **7. GENERAL PROVISIONS**

### **a. Uniform Codes**

For all misdemeanor offenses within the following codes, the bail shall be set at zero dollars (\$0) and the offense designated as CR: Civil Code, Code of Civil Procedure, Education Code, Election Code, Financial Code, Food and Agriculture Code, Government Code, Insurance Code, Labor Code, Public Utilities Code, Revenue and Taxation Code, Street and Highways Code, and Unemployment Insurance Code.

### **b. Unlisted Misdemeanors**

For all offenses chargeable as straight misdemeanors, or as a felony or a misdemeanor (“wobblers”), under state statutes or municipal or agency ordinances, for which there is no uniform bail and which are not otherwise provided in this schedule, including unlisted subdivisions, the bail shall be set at zero dollars (\$0) and the offense designated as CR.

## **8. BAIL DEVIATION**

Pursuant to Penal Code section 1269c, bail deviation is available to process all bail increase and decrease requests for persons who have been arrested (other than pursuant to an arrest warrant) but not arraigned.

Law Enforcement requests to increase bail shall be made within two hours of booking and must comply with Penal Code section 1269c. That section sets forth the procedures and instances when upward bail deviation is appropriate. It is available:

- a. As to those individuals arrested without a warrant for a bailable felony offense or for the misdemeanor offense of violating a domestic violence restraining order, and;
- b.
- c. When a peace officer has reasonable cause to believe that the amount of bail set forth in the schedule of bail for that offense is insufficient to ensure the defendant’s appearance or to ensure the protection of a victim, or family member of a victim, of domestic violence.

Under these circumstances, “the peace officer shall prepare a declaration under penalty of perjury setting forth the facts and circumstances in support of his or her belief and file it with a magistrate . . . requesting an order setting a higher bail.” (Penal Code, §1269c.)

If applicable, Law Enforcement shall also communicate to the Probation Department

within two hours of booking: (1) Whether an enhancement to an offense is being sought; and/or (2) whether the arrestee, booked on an offense designated as CR or BR, is an exception from the release protocol due to their being on a grant of Parole, or Post Release Community Supervision (PRCS) requiring magistrate review for the booked offense.

All requests to increase or decrease bail should be called in, within two hours of booking, at (213) 351-0373 or (800) 773-5151. Hours of operation are 6:30 a.m. to 1:30 a.m.

A request for upward bail deviation of an offense designated in the bail schedule as CR or BR (\$0 bail) may cause the arrest to be referred to a magistrate for review.

## **BUSINESS AND PROFESSIONS CODE**

For all violations of the Business and Professions Code, pre-arraignment release protocol is **CR**

## **FISH AND GAME CODE**

For all violations of the Fish and Game Code, pre-arraignment release protocol is **CR**, except for the following offenses:

## CALIFORNIA CODE OF REGULATIONS, TITLE 14: NATURAL RESOURCES

For all violations of Title 14 of the California Regulations (Natural Resources), pre-arraignment release protocol is **CR**.

## LOS ANGELES COUNTY CODE

For all violations of the Los Angeles County Code, pre-arraignment release protocol is **CR**.

## **II. RELEASE CONSIDERATIONS FOR JUDICIAL OFFICERS**

### **A. How to Use the Schedule**

At and after a defendant's first appearance on any crime, pursuant to Penal Code section 1269b, subdivision (b), the amount of bail or conditions of release, if any are allowed, shall lie with the sound discretion of the judicial officer before whom the defendant appears, and may be greater or less than the amount set forth in this schedule, or may be more or less restrictive than the pre-arraignment release order, subject to the provisions of Penal Code section 1275.

A court's consideration of release conditions in an individual case is governed by mandatory factors identified in the California Constitution: "In setting, reducing or denying bail, the judge or magistrate shall take into consideration the protection of the public, the safety of the victim, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at the trial or hearing of the case. Public safety and the safety of the victim shall be the primary considerations." (Cal. Const., art. 1, § 28, subd. (f)(3).) Furthermore, the Penal Code states: "In setting, reducing, or denying bail, a judge or magistrate shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at trial or at a hearing of the case. The public safety shall be the primary consideration. In setting bail, a judge or magistrate may consider factors such as the information included in a report prepared in accordance with Section 1318.1." (Pen. Code, § 1275, subd. (a)(1).) In addition, the Court must consider the legal principles set forth in *In re Humphrey* (2021) 11 Cal.5th 135.

### **B. Arrest Warrants**

When issuing an arrest warrant pursuant to Penal Code section 815a, a judicial officer may use this protocol in setting a financial condition of release (i.e., money bail). The financial condition fixed to the arrest warrant lies within the sound discretion of the judicial officer who may use the amounts listed in the protocol or in subdivision C, below.

### **C. Determining Financial Conditions of Release at Arraignment or Future Court Proceedings**

A judicial officer may also use the protocol in setting financial conditions of release at arraignment or future court proceedings when there is a change in circumstance or as permitted by statute. Release conditions lie within the sound discretion of the judicial officer and are subject to the considerations summarized in subdivision A, above. Financial conditions of release for offenses designated CR, BR, or MR may be set according to the following guideline:

**CR.....\$1,000-\$5,000**

**BR.....\$15,000**

**MR.....\$30,000**

### **D. Penal Code Section 1270.1**

This section prohibits the release of an arrestee on bail in an amount other than that set forth in this bail schedule prior to a hearing in *open court* for:

- 
- Violent felonies as described in Penal Code section 667.5(c), but not 460(a);
  - Serious felonies as described in Penal Code section 1192.7(c) (including those listed in Penal Code section 1192.8);
  - Violations of Penal Code sections 136.1(c), 243(e)(1), 273.5, 422 (as a felony), and 646.9; and
  - Violation of Penal Code section 273.6 if the detained person made threats to kill or harm, has engaged in violence against, or has gone to the residence or workplace of the protected party.

## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Authorization of Purchase of Super Ultra-Low Emission and Service Body Vehicles

### **INTRODUCTION**

As we approach 2024, the California Air Resources Board (CARB) and South Coast Air Quality Management District (AQMD) have introduced new regulations that will significantly impact the composition and operation of vehicle fleets in California. Key among these changes is the need for cities and local governments to ensure their fleets align with the new environmental standards set forth by both CARB and the AQMD program guidelines for the use of AB2766 subvention funds.

### **STATEMENT OF FACT**

AB2766 recipients may use subvention funds to transition their on-road fleet to clean or zero-emission vehicles. Currently, regulations allow these funds to be utilized to purchase super ultra-low emissions vehicles (SULEVs), however beginning July 2024, SULEVs will no longer be eligible for purchase with subvention funding.

The Advanced Clean Fleets (ACF) regulation is part of the CARB's overall approach to accelerate a large-scale transition to zero-emission medium- and heavy-duty vehicles. In April of 2023, Gov. Gavin Newsom approved a first-of-its-kind rule that states beginning January 1, 2024, city agencies are required to ensure 50 percent of vehicle purchases are zero-emission and 100 percent of vehicle purchases are zero-emission by 2027.

Concurrently, our city's Compressed Natural Gas (CNG) vehicles are approaching the end of their fuel tank's operational lifecycle. A preliminary analysis indicates that the costs associated with replacing these tanks, when combined with the imminent AQMD subvention fund regulations, render the continued operation of our CNG fleet economically and logistically challenging. Similarly, CARB Advanced Clean Fleets (ACF) Regulations will limit the city's ability to replace several of our medium-duty service-body trucks with zero-emission vehicles (ZEV) capable of powering service trucks equipped with tools, generators and compressors. In light of these developments, we must consider timely and strategic actions to ensure the city's transportation services remain uninterrupted, compliant, and cost-effective.

### **SUMMARY**

To ensure continued service to our community with efficiency and environmental responsibility, the city has thoroughly assessed its current fleet situation. It has come to our attention that the cost of replacing the 9 (nine) tanks in each of our aging Compressed Natural Gas (CNG) vehicles is a substantial \$90,000. The City also has a 2007 Toyota Prius and a 2006 Dodge Caravan. Both of

these vehicles are rapidly approaching the end of their useful life. The accumulated wear and tear and rising maintenance costs make it both practical and necessary to consider their replacement. To address these challenges, we propose purchasing 11 (eleven) Chevrolet Equinoxes, categorized as super ultra-low emission vehicles (SULEVs), at a total cost of \$350,000. These SULEVs are considered eligible for purchase with subvention funding in 2023 but will not be allowed under changing AB277 program guidelines beginning July 1, 2024. The timely purchase of these vehicles will allow us to bridge the gap between our current fleet's limitations and a future where electric vehicles are more readily available. Given the present challenges surrounding the procurement of electric vehicles – a situation shared by many municipalities – our proposed purchase of the Chevrolet Equinoxes offers a sensible solution provided the City move quickly to ensure availability of vehicle supply.

Additionally, 5 (five) service body trucks, 3 (three) with natural gas and 2 (two) with traditional internal combustion engines, should be replaced. The three natural gas truck tanks are reaching the end of their useful life. The two internal combustion engine trucks are having mechanical issues and difficulties obtaining replacement parts. Staff proposes purchasing 5 (five) internal combustion engine vehicles at a total cost of \$353,000. It is important to underscore that these trucks are medium to heavy-duty work trucks, and in light of the forthcoming ACF regulations, the acquisition of such vehicles that will meet our needs will become restricted, rendering our options limited and potentially more costly in subsequent years.

The imminent regulation restricts cities and local governments from adding or replacing their fleets with traditional internal combustion engine vehicles starting in 2024. Therefore, we now have a timely window of opportunity to replace these service body trucks, ensuring that our fleet meets operational requirements and strategically prepares for future regulatory constraints. This proactive approach will not only maintain the efficiency and effectiveness of our city's services but will also provide a degree of fiscal foresight, avoiding potentially higher costs or limited availability in the current market.

The city faces upcoming recent regulatory changes from the CARB in 2024, necessitating a timely update to our vehicle fleet. Using available funds from the AQMD, which will be inaccessible for such purchases after 2023, we intend to acquire Chevrolet Equinoxes and service body internal combustion engine trucks to replace our aging fleet. This move ensures compliance, operational efficiency, and fiscal responsibility in the face of the impending regulations.

## **RECOMMENDATION**

It is recommended that the City Council:

1. To authorize the City Manager to approve the purchase eleven (11) Chevy Equinoxes in the amount of \$350,000, provided we have at least three informal/formal bids or we can piggy-back on a cooperative purchasing contract that was awarded by another government agency through a competitive bidding process.

3. To approve an additional 15% to the replacement cost of each vehicle on the equipment replacement list (Attachment A) for FY 2023-2024 in view of inflation and the volatility of material prices.

## **COUNCIL AGENDA**

October 10, 2023

**TO:** The Honorable Mayor and City Council

**SUBJECT:** Measure L Citizens Oversight Committee Meeting #7 Update

### **INTRODUCTION**

Measure L included a requirement that an advisory committee be created to review, on a semi-annual basis, the City's expenditure and revenues generated by the measure. On January 28, 2020, the City Council adopted Ordinance No. 2020-2 establishing the Citizens Oversight Committee (Committee).

### **STATEMENT OF FACT**

The Committee is comprised of five residents appointed by the City Council that represents key stakeholder groups, and two members representing the Greater Lakewood Chamber of Commerce and a service organization. Members include Crystal Jones-Duncan (serving as the current Chair), Jeannie Clark (serving as the current Vice Chair), Ron Piazza representing business groups, Ahmed Rafi representing Neighborhood Watch, Valarie Youell representing youth groups, Rose Nelson representing senior groups, David Arellano representing the Greater Lakewood Chamber of Commerce. Council Members Jeff Wood and Cassandra Chase served as the City Council liaisons as members of the City Council's Audit Committee.

The Committee held its third meeting on September 27, 2023. The Committee received a report from City staff regarding the mid-cycle budget update that was adopted by the City Council in June. Staff also reported on the status of capital improvement projects that is made possible by funds from Measure L. The recently adopted Vision, Mission and Values statements were also presented to the committee.

As a reminder to the public, committee documents including agendas, staff reports, meeting minutes and slideshow presentations are accessible through the committee's website at [www.lakewoodcity.org/MeasureLCOC](http://www.lakewoodcity.org/MeasureLCOC).

### **RECOMMENDATION**

It is recommended that the City Council receive and file this report.
